California State Fire Training

Information Bulletin

National Fire Academy Course - Introduction to NFIRS 5.0

> This two-day course teaches students how to use standardized forms to achieve uniformity in their incident and activity reporting. This training program is designed specifically to support local fire service organizations, and it will assist them in providing data both to their management and to decision-makers, as well as to their state uniform fire reporting system.

Course Delivery Type: Two-Day, Off-Campus

Date	Course Number	Hosting Agency	Sponsoring Agency	Contact	Course Location	Address
February 16-17, 2023	**F0497**	CAL FIRE SHU	NFA	**CalStats Program Coordinator:** **Thomas.Mackerness@fire.ca.gov** **(916) 247-1492**	Shield Regional Training Consortium: Classroom 2	4300 Caterpillar Road Redding, CA 96003

Prospective Students

Those that wish to attend this NFA off-campus course must perform the following:

1) Obtain a Student Identification Number (SID) from the National Fire Academy (NFA)
   Register for a Student Identification Number (SID)

2) Email the CalStats Program Coordinator named above to enroll in the class. Include your SID, Fire department name/FDID, and Rank/Title.

3) Bring your FEMA username/password, and SID to class. Be prepared to log in during class with your Student ID.

*This is an NFA sponsored course. There is no fee to students to attend the class. Students are responsible for all transportation, lodging and meal costs.

Upon successful completion of the course, NFA will send the student the course completion certificate via email.

For additional information, visit the NFA course link: National Fire Academy (fema.gov)

**Note: Students who enroll but do not attend BOTH DAYS will be given a failing grade in the course.
